

CROSSWORD about Online Safety for Children

By the TIXEA team

ACROSS

4. Popular social network.
5. The theft of personal data, when online.
7. The state whereby children waste their free time, friends and family because they only engage in the Internet.
9. The digital trails that we leave every time we go online.
10. An unwanted (junk) email, which is usually sent from an unknown sender to many recipients.

DOWN

1. Information that is incorrect.
2. One of our online dangers.
3. The violation of copyright.
6. Program, which protects your computer from viruses.
8. A program, which gets into our computer in many ways and without permission, in order to do harm.
